om comes the discovery that Bur-D. Townsend, one of Mr. Roosespecial trust investigators, was a signed, in 1906, to investigate the harvest trust, and that he reported that it was a monopoly in restraint of trade; that it was holding up farmers; receiving rebates from the railroads. and that all the plans for the organization of the trust had been drawn up and executed by Geo. W. Perkins.

This report was suppressed. The public never heard of fit. It died by the chloroforming process, in the office of the Attorney General of the Unted States, with the acquiescence of Mr. Roosevelt . There is every indication that Mr. Roosevelt personally decreed the death of this report. It was Mr. Roosyelt's directorer to his Attorney General pot to start suit against the harvester trust, which resulted in the suppression of the Townsend report and the granting of immunity from prosecution to the harvester trust. While Roosevelt was protecting the harvester trust from prosecution by the l'ederal Government that organization was being tried and was found guilty in Missouri Oklahoma and other The right of publisher is reserved guilty in Missouri Oklahoma and other to decline any advertisement or other states whose legal machinery was not under the domination of Wall street. Changing Views.

The Methodist folks are doing things at the General Conference at Minneapolis. The following report was adopted:

"The American people are too far advanced any longer to be restricted by church rules as to what their amusements shall be. The rule prohibiting dancing, card playing, gambling, and going to theatre, circusses and horse racing therefore should be abblished."

#### FOR THE WOMAN WHO THINKS AND FEELS

Some women complain that they periodically suffer from dull and heavy feelings, or dizziness in the head, nervousness, pain and bearing-down feelings which should not occur to the normal healthy woman. But most every woman is subject to these pains at some time in her life, due to abnormal conditions in life, such as corsets, over-taxed strength, had air, poor or improper food, wet fact, sluggish liver, etc. A regulator and female tonic made from native medicinal roots with

pure glycerin, and without the use of alcohol, called DR. PIERCE'S FAVORITE PRESCRIPTION,

has proven its value in thousands of cases, like the following:

MRS. Dona M. Martin, of Arburn. Nebr., Pouts 1. Box 84, says:

"I thought I would write you in regard to what your medicines have done for ma. I have used them for thirty years for female trouble and general weakness with the very best result, and they have saved me hundreds of dollars in doctors' halls. I buy the 'Favorite Prescription' and 'Gelden Medical Discovery' and take them together. I never was disappointed in year remedies and take pleasure in recommending them to any suffering lady. This now almost fifty years old; at forty-five I took your medicines, both kinds, and I passed that period very casily and left me for and healthy. I feel like a young girl.

"If any lady cares to write ms, I will gladly tell her more about the good work of your medicines.

DR. PIERCE'S GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Advisor, newly revised up-to-data edition—of 1008 pages, answers hosts of delicate questions which every woman, single or married, ought to know.
